7th Annual Conference on the Science of Dissemination and Implementation

Poster Index
Tuesday, December 9 | 11:30 a.m.-12:45 p.m.

Prerna Arora, University of Maryland School of Medicine, #31
Incorporating Psychosocial Interventions in Pediatric Primary Care

Mimi Choy-Brown, New York University, #32
Unpacking Supervision in Supportive Housing Implementation

Kristina Cook, Booz Allen Hamilton, #33
Keep What You've Earned: Encouraging Sailors to Drink Responsibly

David Cordova, University of Michigan, #34
A Community Engaged Approach to Working toward the Implementation of Mental Health Best Practices in a Primary Care Setting

Kim Danforth, Kaiser Permanente Southern California, #35
Diagnosing Implementation Gaps in the Treatment of Patients with Non-Muscle Invasive Bladder Cancer

Patricia Davidson, West Chester University, #36
Expected Care Plans as a Process Measure for Implementation of Evidence Based Practice Guidelines (EBPG) for Nutrition in the Prevention of Diabetes

Steve Fennel, University of Kansas Medical Center, #37
Evaluating a Protocol for Evidence-Based Child Trauma Intervention Using Secure Home-Based Videoconferencing

Jacqueline Fickel, VA Health Services Research & Development, #38
Stakeholder Involvement in Quality Improvement of Evidence-Based Collaborative Care Management for Depression and PTSD in VA Primary Care

Negin Fouladi, University of Texas, #39
Evidence-Informed Decision-Making in Practice and Policy: Reducing the Knowledge to Action Gap

Rachel Gold, Kaiser Permanente Center for Health Research, #40
Stakeholder Engagement in Planning Dissemination of a Diabetes Intervention in the Safety Net

Rochelle Hanson, Medical University of South Carolina, #41
Using the Community Based Learning Collaborative Model: Fostering Interprofessional Collaboration (FIPC) and Increasing Access to Trauma-Focused Services

Nirav Kamdar, University of California, Los Angeles, #42
Emergency Manuals for Operating Room Crises: Implementation, dissemination, and Adoption at Stanford Hospital and Clinics

Jeffrey Katula, Wake Forest University, #43
North Carolina Healthy Living Partnerships to Prevent Diabetes: Scaling Up Diabetes Prevention

CJ Koenig, San Francisco Veterans Affairs Medical Center & University of California, San Francisco, #44
Beyond Fidelity: Adapting a Complex Health Information Technology Intervention for Sustainability

Anne Lambert-Kerzner, VHA Eastern Colorado Healthcare System, #45
Three E’s of Medication Adherence: Patient Engagement, Education, and Empowerment
Kathy Mayfield-Smith, University of Southern California, #46
Improving Care for Children Enrolled in Medicaid: Using a Learning Collaborative Framework to Transform Pediatric Practice

Sharon McCarthy, VA Pittsburgh, #47
Incorporating Evidence-Based Dual-Diagnosis Treatments into VA Homelessness Services

Alan McGuire, Indianapolis VAMC & Indiana University Purdue University Indianapolis, #48
Organizational Factors Associated with Competence

Elaine Morrato, Colorado University, #49
Bringing it Home: Expanding the Reach and Spread of Dissemination and Implementation (D&I) Training

Mary Ann O'Brien, University of Toronto, #50
Knowledge Translation Research Network (KT-Net): Building Capacity in Cancer Dissemination and Implementation Research

Byron Powell, University of Pennsylvania, #51
A Refined Compilation of Implementation Strategies: Results from Modified Delphi and Concept Mapping Exercises

Jonathan Scaccia, U.S. Department of Health and Human Services, #52
Readiness for Public Health Quality Improvement

Yulia Strekalova, University of Florida, #53
Expert Knowledge Dissemination through an Online Community: A Case Study and Application of the Diffusion of Innovations Theory

Natalia Vargas, U.S Health Resources and Services Administration, #54
Promoting the Integration and Implementation of Research in Safety-Net Settings

Christine Vogeli, Massachusetts General Hospital, #55
Implementation of a Practice Based Care Management Innovation within a Large Integrated Network: Variations in Adoption across PCPs and Practices

Emily Williams, VA Puget Sound Health Services Research and Development, #56
Factors Underlying Quality Problems after Implementation of Alcohol Screening in Routine Care

Michael Wittie, Office of the National Coordinator for Health Information Technology, #57
Implementing Quality: Health IT-Enabled Quality Improvement, Safety-Enhanced Design, and Outcomes Research at ONC

Shirley Yen, Brown University, #58
Using Text Messaging to Deliver Positive Affect Skills: Examining Naturalistic Response Rate and Predictors of Engagement in Suicidal Adolescents

Anju Sahay, Palo Alto VA Healthcare System, #59
Participation in a Social Network to Improve Quality of Care for Heart Failure Patients

Courtney Baker, Tulane University, #60
Understanding the Implementation, Effect, and Sustainability of Trauma-Informed Care within a Health Service System Serving Children and Youth
