Interest Group Poster Session Assignments
June 24, 2017 12:30 – 2:30 pm

Poster Assignments as of June 19

Behavioral Health Interest Group

**Mir M. Ali**, Substance Abuse and Mental Health Services Administration (SAMHSA), #1
*Differential Reimbursement of Providers of Psychiatric Services*

**Sarah Benatar**, Urban Institute, #2
*Perinatal Depression: Prevalence and Approaches to Treatment Among Medicaid Participants*

**Jessica Buche**, University of Michigan Behavioral Health Workforce Research Center, #3
*Primary Care and Behavioral Health Workforce Integration: Barriers and Best Practices*

**Michael Flores**, Brown University School of Public Health, #4
*The Impact of Health Homes on Primary Care Service Use Among Medicaid Beneficiaries with Serious Mental Illness*

**Paul Grant**, University of Pennsylvania Medical School, #6
*The Georgia Beck Initiative: Increasing Community Capacity for Addressing the Needs of Individuals with Severe Mental Illness Across a State Mental Health System*

**Abiola Keller**, Marquette University, #7
*Physical Activity and Depression: Are Clinicians Talking about It?*

**Junqing Liu**, National Committee for Quality Assurance (NCQA), #8
*Low Screening and Follow-up for Unhealthy Alcohol Use in Medicaid Health Plans*

**Sean Lynch**, Substance Abuse and Mental Health Services Administration, #9
*Care Coordination in Primary Care Settings for Children and Adolescents with Behavioral Health Conditions: Promoting More Efficient Utilization of Behavioral Health Services*

**Norah Mulvaney-Day**, Truven Health Analytics, an IBM Company, #10
*Screening for Behavioral Health Conditions in Primary Care Settings: A Review of the Literature*

**Cory Page**, University of Michigan Behavioral Health Workforce Research Center, #11
*An Analysis of Behavioral Health Occupational Scopes of Practice*

**Jacob Painter**, Department of Veteran Affairs, #12
*Readiness for Organizational Change to Implement a Depression Intervention for Veterans Living with HIV*

**Etienne Pracht**, University of South Florida College of Public Health, #13
*Small Area Variations in Children Diagnosed with PTSD in Florida Emergency Rooms: A Growing Public Health Problem*

**Michael Quinn**, University of Chicago, #14
*Behavioral Health Integration in Midwest Community Health Centers*
Laura J. Sherman, Substance Abuse and Mental Health Services Administration (SAMHSA), #15

Laura J. Sherman, Substance Abuse and Mental Health Services Administration (SAMHSA), #16
Availability of Supported Employment in Specialty Mental Health Facilities and Facility Characteristics

Morgan Shields, Harvard T.H. Chan School of Public Health, #17
Consumers’ Suggestions for Improving the Mental Healthcare System: Options, Autonomy, and Respect

Phillip Singer, University of Michigan, #18
Standardizing Behavioral Health Workforce Data: Development of a Minimum Data Set and Analysis of Existing Data Sources

Nicole Smith, Humana, #19
Differences in Healthcare Utilization in Early Vs. Late Diagnosed Autism Spectrum Disorder Populations

Kathleen Thomas, University of North Carolina at Chapel Hill, #20
Impact of ACA Health Reforms for People with Mental Health Conditions

Rajvi Wani, University of Nebraska Medical Center, #21
An Assessment of the Behavioral Health Workforce Distribution in Nebraska and Its Relationship to Emergency Department Utilization for Behavioral Health

Kimberly Williams, Christiana Care Health System, #22
Nurse Experiences Following Implementation of an Inpatient Opioid Withdrawal Screening and Treatment Protocol

Child Health Services Research Interest Group

Christina Bethell, Child and Adolescent Health Measurement Initiative, Johns Hopkins Bloomberg School of Public Health, #23
Building the Field to Address Adverse Childhood Experiences and Promote Wellbeing in Pediatrics

Natalia Chalmers, DentaQuest Institute, #24
Comparing Emergency Department Utilization for Dental and Oral Health Conditions Between Children’s Hospitals and State Hospitals from 2010 to 2014

Brigette Courtot, Urban Institute, #25
Pregnancy, Medicaid Access, and Family Planning Choices

Liza M. Creel, University of Louisville, #26
Impact of Hospital Scheduling on Follow-up Appointments after Failed Newborn Hearing Screening
Denise Dougherty, Case Western Reserve University, #27
Promoting Adolescent Social and Emotional Well-Being: How Can It be Done?

Robin Gelburd, FAIR Health, #28
Spotlight on Obesity and Type 2 Diabetes in the Pediatric Population: A Study of Private Claims Data

Kymberly Gonzalez, University of Pennsylvania, #29
Perceptions of Reading to Young Infants Among Poor Parents, a Qualitative Study

Abbey Gregg, University of Nebraska Medical Center, College of Public Health, #30
Measurement of Patient-Centered Medical Home Attributes in School-Based Health Centers

Katherine E. Grimes, Cambridge Health Alliance, #31
Reducing Disparities in Pediatric Mental Health Access: A Collaborative Practice Model

Ian Hill, Urban Institute, #32
What Do Women Say about Enhanced Prenatal Care? Findings from Strong Start Evaluation Focus Groups

Samuel Hohmann, Vizient, #33
Factors Associated with Sepsis in Hospitalized Children

Steven Howard, Saint Louis University, #34
"It Doesn't Matter What It Costs!"... Must Higher Quality Care for Pediatric Traumatic Brain Injury Cost More?

Embry Howell, Urban Institute, #35
The Consistency of Administrative Records Across Multiple Data Sources: A Case Study from the Strong Start Evaluation

Kira Hower, University of Cologne, #36
Evaluation Study of the Implementation of the Fitkids Program for Children-Orientation in Drug-Counseling Centers (EvaFit)

Peiyin Hung, University of Minnesota, #37
Disparities in Geographic Distribution of Hospital Obstetric Care

Kristin Kan, Ann & Robert H. Lurie Children's Hospital of Chicago, #38
Children in Managed Care: Diverging Trends from 2004-2013 Between Public and Private Insurance

Corinna Schultz, Nemours/Al duPont Hospital for Children, #39
Preferences for Receiving Test Results and Patient Portal Use in Pediatric Oncology Care

Adele Shartzer, The Urban Institute, #40
Women of Reproductive Age Lack Knowledge of Zika Virus Transmission and Effects

Paula Song, University of North Carolina at Chapel Hill, #41
Caregiver Perspectives on Care Coordination after Joining an ACO
Disabilities Research Interest Group

DeLawnia Comer-HaGans, Governors State University, #43
Disparities in Diabetes Complication Prevention Among Individuals with Diabetes and Cognitive Limitations

Tiffany Donley, University of West Florida, #44
Prevalence and Parental Impact of Behavioral Problems in Children with Special Healthcare Needs

Jack Gettens, University of Massachusetts Medical School, #45
Accounting for Geographic Variation in Social Security Disability Program Participation

Gilbert Gimm, George Mason University, #46
Access to Cancer Screenings for Adults with Physical Limitations

Jean Hall, University of Kansas Medical Center, #47
Pregnancy and Women with Disabilities: Intentions, Experiences and Concerns

Simon Hollands, Pardee Rand Graduate School, #48

Ickpyo Hong, University of Texas Medical Branch, #49
Are the U.S. Community-Dwelling Adults More Functional Than Mexico Older Adults? Using the Rasch Model for Cross-National Comparisons

Jae Kennedy, Washington State University, #50

Disparities Interest Group

Josephine Appiah, University of North Carolina at Charlotte, #52
Use of Online Forums As a Means of Social Support and Recovery for Substance Use Disorders

Irim Azam, Agency for Healthcare Research and Quality, #53
Highlighting Disparities By Race and Education for Adult Hospital Patients Who Experienced Poor Communication in the Hospital

Barbara Barton, Agency for Healthcare Research and Quality, #54
Racial/Ethnic Differences in Improvements in Patient Safety: Findings from the National Healthcare Quality and Disparities Report

Christina Bethell, Child and Adolescent Health Measurement Initiative, Johns Hopkins Bloomberg School of Public Health, #55
The Effects of Positive Experiences on Child Health and Flourishing in the Face of Adversity: Results from the National Survey of Children’s Health
Tess F. Carley, Tulane University School of Medicine, #56
Quizzes in Medical Student-Run Clinics Help Impart Essential Hepatitis C Virus Information to an High-Risk Community

Elizabeth Charron, Clemson University, #57
County-Level Factors Associated with Average Neonatal Abstinence Syndrome Birth Rates By County in South Carolina

Deena Chisolm, The Ohio State University, #58
Disparities in Pediatric Opioid Prescribing in the “Epidemic” Era

Caitlin Cross-Barnet, CMS/Center for Medicare and Medicaid Innovation, #59
Patient Perspectives on Preventive Service Uptake: Knowledge, Values, and Ease of Access in Diverse Populations

Megan Douglas, Morehouse School of Medicine, #60
Analyzing the Quality Payment Program for Impact on Health Equity

Kimberly Enard, Saint Louis University, #61
Patient Navigation to Address Barriers to Primary Care Use: A Report on Experiences from Houston, TX

Leah Frerichs, University of North Carolina at Chapel Hill, #62
The Potential Impact of Medicaid Expansion on Reducing Colorectal Cancer Screening Disparities Among African American Males

Jennifer Lauren Glick, Tulane University School of Public Health and Tropical Medicine, #63
“Tiptoeing Around the System”: Alternative Health Care Navigation Among Gender Minorities in New Orleans

Christy Green, NYU Rory Meyers College of Nursing, #64
Examining the Relationship Between Neighborhood and Age on Stage of Diagnosis in Head and Neck Cancer Patients Seeking Care at New York City Safety Net Hospitals

Ian Hill, Urban Institute, #65
Transforming Prenatal Care: Interim Results from the Strong Start for Mothers & Newborns Evaluation

Xinliang Liu, University of Central Florida, #66
Missed Diagnosis of Acute Myocardial Infarction Among Patients with Mental Illness in the Emergency Department

Stacey Mc Morrow, Urban Institute, #67
Racial and Ethnic Disparities in Use of Prescription Contraception: The Role of Insurance Coverage

Ati Grandma Mompe, Social & Scientific Systems, Inc., #68
To Highlight Disparities By Sex in the United States from the National Healthcare Quality and Disparities Report (QDR).
Ekaterina (Katia) Noyes, State University of New York at Buffalo, #69
Disparities of Life Partner Influence on Preventive-Care Utilization Among the Aging Population

Areen Omary, University of Missouri, #70
Disparities in Hospital Discharges Among Schizophrenia, Bipolar and MDD Patients

Margaret Pichardo, Howard University College of Medicine, #71
Socioeconomic Disparities Among Bariatric Surgery Patients

Uzaib Saya, Pardee RAND Graduate School, #72
Inequality in Generosity of Provider Payments Has Risen Since 2000

Patrina Sexton-Topper, University of Pennsylvania, #73
Young Sexual Minority Women’s Definition of Community: Towards Addressing Health Disparities in the LGBTQ Community

Rima Tawk, Florida A&M University, #74
Disparities in Tobacco-Related Cancer Trends in Florida

Maeve Wallace, Tulane University School of Public Health and Tropical Medicine, #75
Structural Racism and Infant Mortality in the US

Haichang Xin, University of Alabama at Birmingham, #76
Patient-Centered Medical Home Models and Reduced Racial Disparities in Primary Care Access and Use--- Empirical Evidence from a US Nationally Representative Sample

Lei Yin, Tulane University, #77
Regional Variation of Intravenous Tissue Plasminogen Activator (IV tPA) Utilization Among Ischemic Stroke Patients in the United States (US)

Global Health Interest Group

Sharon Attipoe-Dorcoo, University of Texas School of Public Health, #78
A Content Analysis of Online News Media Reporting on the Human Papillomavirus Vaccination Program in South Africa

Mandar Bodas, Virginia Commonwealth University, #79
Improving Maternal Healthcare in Rural India: Policy Measures and the Role of Health Facilities

Ickpyo Hong, University of Texas Medical Branch, #80
Disability Comparisons Between Community-Dwelling Adults in the United States and Korea Using a Comparable Outcome Measure

Katie Lichter, Loyola University Chicago, Health Sciences Division, #81
Effectiveness of an Mhealth Technology Intervention in Increasing Access of over-the-Counter Medication in the Slums of Nairobi, Kenya

Adeyemi Okunogbe, RAND Corporation, #82
Rieza Soelaeman, Tulane University SPHTM, #83
The Effect of Health Insurance Coverage on Expenditure at Last Delivery in Eastern Indonesia: Evidence from IFLS East 2012

Huiwen Xu, University of Rochester Medical Center, #84
Does Universal Health Coverage Imply Equitable Access to Inpatient Care Among Older Adults in China: Evidence from the China Health and Retirement Longitudinal Study

Huiwen Xu, University of Rochester Medical Center, #85
Turnover Intention to County Hospitals and Village Clinics Among Health Professionals in Township Health Centers in China: A Cross-Sectional Survey

Aaron Yao, University of Virginia, #86
Urban-Rural Disparities of Cancer Care: an Evidence-Based Study in Shandong Province of China

Health Economics Interest Group

Askal Ayalew Ali, Florida A & M University, #87
Comparative Effectiveness of the Addition of Radiotherapy for Early-Stage Hormone Receptor Positive Breast Cancer in Elderly Using Real-World Data

Neeraj Bhandari, University of Nevada, Las Vegas, #88

Rena Conti, The University of Chicago, #89
Generic Drug Pricing Trends and Drivers 2002-2016

Wael ElRayes, University of Nebraska Medical Center, #90
Community Benefit Spending By Private Nonprofit Hospitals and the Effect of Organizational and Environmental Factors.

Maude Laberge, Universite Laval, #91
The ACA Medicaid Expansion and Personal Bankruptcy Filings

Sungchul Park, University of Washington, #92
Theoretical and Empirical Analysis of Service-Level Selection in Response to Risk Adjustment: Evidence from Medicare Advantage

Sungchul Park, University of Washington, #93
Assessing Individual-Level Prediction Accuracy of Risk Adjustment Methods

Marjorie Rosenberg, University of Wisconsin-Madison, #94
Identification of Persistent High-Utilizers and the Role of Multiple Unhealthy Behaviors

Ryan Seay, Mississippi State University, #95
Financial Reporting Manipulation and the Role of Religious Ownership: Evidence from Nonprofit Hospitals
Effects of Physician-Hospital Integration on Treatment Productivity: Evidence from Chemotherapy in Lung Cancer

Medicare Expenditures Attributable to Dementia

Can a Mail Brochure Campaign Increase Use of a Price Shopping Website Among Insureds in Need of Clinical Services?

Impact of Psychiatric Boarding on Hospital Emergency Department Expenditure in Oregon

Electronic Health Record Adoption and Interoperability in a Sample of Nursing Facilities and Skilled Nursing Facilities in the U.S.

Disparities in Use of Health Information Technology to Improve Medication Safety: Findings from the National Healthcare Quality and Disparities Report

Quality Improvement in Ambulatory Pediatric Care: Implementing Parent-Centered Online Tools to Improve Quality and Outcomes of Well Child Care

Increasing Optimal Preventive Service Use through Media and Technology

Teaching Skills to Use Data and HIT

Technological Innovations and Potential Disparities in Use: How Do Patients without Computers Use a Portal Optimized for Mobile Use?

Exploratory Analysis in Readmission Prediction Models

Predicting Sepsis Death and Readmission Early in the Current Admission

A Proposed National Research and Development Agenda for Population Health Informatics

Assessing Electronic Health Record Implementation Challenges Using Item Response Theory
John Ney, Edith Nourse Rogers VA Medical Center/Center for Healthcare Organization and Implementation Research, #111
Effect of Electronic Health Record Usage on Productivity for Medical Specialties

Shehzad Niazi, Mayo Clinic, #112
Implementation of Patient Reported Outcomes in a Psychosomatic Medicine/Consultation and Liaison Psychiatry (CL) Practice

Robert Rosati, VNA Health Group, #113
Demonstrating the Value of Home Health Care Episodes in Providing a Rich Data Framework for Value Based Care and Outcomes

Susan Smola, Christiana Care Health System, #114
Integrating Mobile Technology into Health Care

Roza Vazin, Johns Hopkins Bloomberg School of Public Health, #115
Utilization of the Crisp Encounter Notification Service in Maryland and Washington D.C.

Jessica Watterson, University of California, Berkeley, #116
Ease of Use of Electronic Health Records and Relational Coordination Among Primary Care Team Members

Marni Yoffe, Impaq International, LLC, #117
Process Evaluation of a Mobile Health App

Health Workforce Interest Group

David Armstrong, Center for Health Workforce Studies, #118
What Factors Predict a Physician’s Decision to Enter Practice in a Rural Area?

Sarah Benatar, Urban Institute, #119
Care Coordination: A Critical Ingredient of Strong Start Initiatives

Susan Chapman, University of California, San Francisco, #120
Enhanced and Sustainable Roles for Community Health Workers Under New Models of Care and Payment

Caitlin Cross-Barnet, CMS/Center for Medicare and Medicaid Innovation, #121
Pathways to Prevention: Provider Perspectives on Service Provision

Shivani Gupta, Saint Louis University, #122
The Impact of Competition on Nursing Home Staff Turnover in Florida

Aubri Kottek, University of California, San Francisco, #123
Remote Monitoring Technologies in Long-Term Care: Implications for Care Team Organization and Training

Margaret Langelier, Oral Health Workforce Research Center, #124
A National Survey of Federally Qualified Health Centers (FQHCs): The Impact of Dental Residency Programs and Student Externship Rotations on Oral Health Service Delivery
Margaret Langelier, Oral Health Workforce Research Center, #125  
*Diversity of the Dental School Faculty*

Margaret Langelier, Oral Health Workforce Research Center, #126  
*Case Studies of Teledentistry Programs: Strategies to Increase Access to General and Specialty Dental Services*

Hannah Maxey, Bowen Center for Health Workforce Research and Policy, #127  
*Certified Nurse Aide As a Pathway to Nursing: A Potential Strategy to Strengthen the Long-Term Care Workforce*

Henry Michtalik, Armstrong Institute for Patient Safety and Quality of Care, #128  
*Identifying Physician Burnout and Related Demographic, Program, and Team Factors: A Hospitalist Survey Across 4 Hospitals*

Jean Moore, Oral Health Workforce Research Center, #129  
*Oral Health Care Utilization in 2 States with Different Adult Dental Benefits in Medicaid Primary Care*

Jennifer Craft Morgan, Georgia State University, #130  
*Understanding the Impact of Medical Assistant Role Expansion on Providers in Primary Care*

Ulrike Muench, University of California, San Francisco, #131  
*How Do Long-Term Care Workers Spend Their Time? Answers from the American Time-Use Survey*

Linda M. Nix, Tulane University School of Public Health & Tropical Medicine, #132  
*Fighting Mental Illness Stigma Among Future Physicians: Exposure As a Protective Mechanism*

Ekaterina (Katie) Noyes, State University of New York at Buffalo, #133  
*Multidisciplinary Cancer Survivorship Care in Rural Communities*

Amber Stephenson, Clarkson University, #134  
*From the Outside Looking in: What Prison Health Workers Can Teach Us about Job Satisfaction and Retention*

Benjamin Stubbs, University of Washington, #135  
*Evaluation of a Novel Source of Real Time Labor Market Information to Monitor the Healthcare Workforce: A Case Study of Employer Demand for Health Information Technology Skills*

Aaron Yao, University of Virginia, #136  
*Geographic Concentration of Home-Based Medical Care Providers and Increasing Role of Nurse Practitioners*

Interdisciplinary Research Group on Nursing Issues, #137  
*A Description of the Landscape of Anesthesia Care in an Integrated National Healthcare System*
Stefanie Bachnick, University of Basel, #138
Patient-Centered Care is Associated with Nurses' Work Environment and Rationing of Nursing Care in Acute Care Hospitals

Miriam Bender, University of California Irvine, #139
Organizing Nursing Knowledge and Practice to Catalyze Quality: The Operationalization of Clinical Nurse Leader Practice Model Domains in a Regional Health System
